Dear Colleagues,

Welcome to Henderson Middle School for the ATSSB Area E band auditions. To keep the contest running smoothly throughout the day, we have a few reminders.

Arrival Reminders

- Please plan accordingly so we can start on time.

Parking Reminders

- Henderson Middle School is located at 501 Richardson Drive, Henderson, TX 75654.
- Busses should turn onto Richardson Drive and then again on Campus Street. Bus parking has been provided on the map. You may use any large parking space close to the school or by the stadium.
- Trucks for unloading percussion can enter the circle drive by using the gated entrance located next to the electronic sign by the front of the school. This drive is also noted on the map. Once unloaded, equipment trucks should move and park in the bus parking area to allow for other schools to unload.

Chaperones

- If you have “extra” directors, please have them monitor students. Otherwise, please bring a chaperone to help.
- HISD directors will roam and answer questions or help with concerns during auditions.

Please be sure to visit with your students about acceptable behavior when visiting another school.

Judging Reminders

- **Directors** will be the monitors for holding rooms AND audition rooms.
- **Bring a charged computer or tablet as well as the charging device for judging. Extra technology will not be available. Extension cords and outlets WILL be available.**
